User Story Mapping Activity

LOGIN

As a buyer, I want to be able to login to the app to view the recently posted products ads.
US002

As a seller, I want to be able to login using email & password so that I can post & modify my ads
US010

SEARCH

As a buyer, I want to be able to sort items by category to ease my search.
US004

As a buyer, I want to be able to find a specific item using a search box.
US005

CONTACT

As a buyer, I want to be able to contact the seller so that I can inquire about the product.
US006

As a seller, I want my contact information to be displayed under my ad posts so that potential buyers can contact me.
US012

COMMENTS

As a buyer, I want to be able to leave comments under ad post so that I can make suggestions and requests.
US007

As a seller, I want to see comments from potential buyers under my post so that I know their suggestions.
US014

PROFILE

As a seller, I want to be able to create a profile so that I can sell my items.
US009

As a buyer, I want to be able to create a profile to buy products.
US001

ITEMS LIST

As a seller, I want to be able to post my items in the app for sale providing details like photos, descriptions, and price.
US011

As a seller, I want to be able to view my currently listed ads, so that I can have an overall view.
US013

As a buyer, I want to be able to view all the listed items on the app so that I can choose what product to buy.
US003

RATINGS

As a seller, I want buyers to leave ratings so that I have a more appealing profile and improve my performance.
